SPELLING BEES:

What Clubs are holding Bees??
Will you have volunteers to run a District Bee? If there are not 8 District Bees, we may hold a Regional Bee. Top 3 winners would progress to the State Bee and the District Bee Hosts can share & run the State Bee!
Let's talk Spelling Bees...email Carol @ cfrisby@jerseyjuniors.com today!!

Lastly, please know that the State Board wants to know what you are doing! If you send me a list of your events or fundraiser, I will get them on the website or in my next update. Perhaps we can start an electronic State Calendar! It's important that we as Juniors support each other in any way we can! Share ideas, enjoy other Club's fundraisers – let's Move into the Futures with Juniors together!!!
