PERFORMING ARTS SCHOLARSHIPS AVAILABLE

Applications are now being accepted for the 2012 Children's Foundation for the Arts scholarships for children between the ages of 9 and 17.

The Children's Foundation for the Arts is a grant-making organization dedicated to supporting talented young performing artists who lack caring grandparent relationships in their lives. In addition to awarding monetary grants, the Foundation is committed to helping these young people develop a positive mental attitude and a sense of accomplishment and achievement.

Candidates must be able to demonstrate talent and dedication to a performing arts discipline, including dance, instrumental music, voice or drama. Candidates must also prepare a brief essay discussing their memories of their grandparents. Applications must be submitted by December 31, 2011, and can be obtained on our website.

Selected candidates will be contacted for an interview and an audition, to be held in March of 2012, in the New York City area. Awards range from \$350 to \$1,500 and can be renewed annually until the student is age 19.
