

New Jersey State Federation of Women's Clubs of GFWC Junior Membership

February 15, 2011

To all Junior and Juniorette Clubs,

Congratulations on completing all your club reports for the 2010 club year! Now it is time to finish the process by allocating your club funds and setting up your new board. This mailing contains the three papers that you will need to get all of this done.

Green Continuing Funds Sheet: this form is used to allocate all your clubs funds. Your club check should accompany this form and must arrive at Headquarters by April 1, 2011. The Junior Membership Funds section, including the JM State Project – The Valerie Fund, is the first section on the form.

JM Contribution Sheet: this sheet should exactly match the total of all Green Sheets mailed to Headquarters. Then complete and attach parts 2 & 3, of your club's other monetary and non-monetary donations.

Pink/Yellow Sheet: the pink form must be filled out by **all** Junior Clubs and the yellow sheet must be filled out by **all** Juniorette Clubs. Fill in the number of dues paying members for the 2011-2012 club year, as well as your new board information.

Important: Your club membership number will remain the same if your club fails to return this form and the club will continue to pay dues for this membership number.

Please mail the JM Contribution Sheet with attachments and Pink/Yellow Sheet to: Tammi Kaminski - Corresponding Secretary, 329 Main Street, New Milford, NJ 07646, by April 1, 2011.

In Junior Spirit,

Iman
