

Helping Hands

Everyone did AMAZING work in the Helping Hands section of Home Life/Health this past year. As you know the JM is part of the NJSFWC, which in turn is part of the GFWC . This year I'd like to focus more closely on the projects highlighted in the GFWC manual for this department. This binder is a great tool for project ideas , resources and materials (a lot of which are available for FREE!!!)

Highlighted Projects:

- *Easter Seals*
- *March of Dimes*
- *Habitat for Humanity*
- *Canine Companions for Independence*
- *Heavenly Hats*

Kimie Holt-Home Life/Health

The Helping Hands program attempts to educate members and others about organizations that improve the lives of others in need and offers opportunities to offer support.
