

JUNIORETTE NEWSLETTER SPRING 2011

Spring into ACTION!

Here we go! It is almost like we hit the ground running this time of year. That is literal for many of you as it is time for many outdoor sports. I know that you all are involved in many things other than Junioresettes and want you to know how very much your time and dedication to our organization and your communities is appreciated. It is so easy to get caught up in the rat race of life, school and sports, I do caution you to take some time for yourself and your family. I was so excited to read all of your reports and was just blown away by the amount of projects you accomplished. You should be proud of yourselves and your advisors for a great year! I hope to meet many of you at Spring conference, and Convention. There has been some conversation at the Executive Board level regarding a separate celebration for all Junioresettes so please stay tuned and I will let you know about any changes as soon as I can. As always, feel free to contact me at Junioresettes@jerseyjuniors.com
