

Keeping in Touch with Junioresettes!

The Winter months are coming to a close and it is time for us to move outside! Take a look at a few activities your club can participate in:

Fundraisers:

1. For St. Patrick's Day sell green carnations at your local school or at a local market.
2. Purchase chocolate Easter bunnies and sell to your local churches, schools, or at a market.
3. As the warm weather approaches there are many different outdoor markets that appear: Face paint at a community event. Fun!!

Charities to Explore

1. March is National Youth Art month Promote art in your town - run a contest. www.acminet.org/
2. On the same lines, collect used crayons and melt down, pour into molds and make new crayons. Donate to local daycare centers. Follow this link to the Juniors conservation website. Click on Conservation Fall 2008 for more details! <http://jerseyjuniors.com/conservation.html>

Juniorette Fun

Head outside with your friends for a scavenger hunt! There are many different themes:

1. Bigger is better - each team is given a paper clip and they go from house to house to trade the item in their hand for something bigger and better.
2. Collect food items for the local food pantry - Most food wins. Bonus points given for items most needed at the pantry, like coffee, baby formula, etc.
3. Service Hunt - have the junioresettes visit different places in town and perform service acts like, wash the windows of a local store, rake leaves in an elderly neighbors garden, wash a car. Video tape it - it's fun to watch later!
