

# JUNIORETTE NEWSLETTER LATE FALL 2010

Hang on girls, here come the HOLIDAYS! As I sit here, I have the windows open and it is a beautiful 70 degree day, just a few days before Halloween. I know that this warmth is on the way out soon. If I forget, I can wander into any retail store and grimace at the way too early holiday decorations. Before we know it, we will be digging our cars out of the dreaded white stuff and piling on layers of clothing! I want to remind you all not to let the upcoming craziness gets in the way of what is truly important. Your education of course, is paramount but also try to keep family close and not get stressed out by all of the commercialization. Try to keep it simple and focus on just the joy of the season. Whatever time you can give to the Juniorettes is greatly appreciated. Don't forget to let all of your friends know about us and encourage them to join your club. Keep in mind that not all of your activities need to be fundraisers. It is great just to get together with your club and have a little fun and appreciate the friends you have made. Have a great holiday season!

## Great Winter Project Ideas:

- ❖ Have a bake sale
- ❖ Organize a final fall clean up for any of your neighbors that could use some help raking up the last of the leaves
- ❖ Collect hats, gloves and socks for the homeless
- ❖ Make cookies and bring to a senior citizen home
- ❖ Run errands for seniors that can't get out in the cold
- ❖ Have a membership drive at your next meeting a give a small prize to the member that brings the most new friends
- ❖ Collect wish list toy items for the Valerie Fund

You have brains in your head. You have feet in your shoes. You can steer yourself, any direction you choose.
