

## **New Jersey State Federation of Women's Clubs of GFWC Junior Membership State Project Investigating Committee 2012-2014**

You have an opportunity to make a HUGE difference, by giving just a little time. The State Project Investigating Committee's purpose is to select the final three organizations that will be considered for the 2012-2014 JM State Project.

As clubs in the Junior Membership, this chairman requests that you send proposed organizations - name, address, and contact information – to [SPInvestigating@jerseyjuniors.com](mailto:SPInvestigating@jerseyjuniors.com), or mail information to JM State Project Investigating Committee, c/o Katie Seyler, 56 Yorktown Road, East Brunswick, New Jersey, 08816. The committee will be looking for organizations that offer services throughout the State of New Jersey, have zero to minimum overhead costs, and will benefit from the volunteer and fundraising efforts of the NJSFWC Junior Membership.

Please take a moment to submit a name of an organization on the form which is attached to this flyer. **Suggestions are requested by October 1<sup>st</sup>**, in order to give the committee adequate time to request information from these worthwhile charities.

Once the investigation is completed, the semi-finalists will present proposals to the Committee and then the three finalists will be determined prior to the State Spring Conferences. All Junior Clubs will have the opportunity to vote for the 2012-2014 Special State Project at the Annual Junior Convention.

The Junior Membership makes a great impact and touches many lives each day. The organization selected will receive great benefits from the JM backing them. It's not surprising that an organization could receive close to \$100,000 from the Clubs during the two-year commitment to the project.

Additionally, if any members have any questions, or would like to volunteer on the State Project Investigating Committee, please contact the Chairman, Katie Seyler at (732)991-7511, or visit [www.jerseyjuniors.com](http://www.jerseyjuniors.com) for more information.

We hope you can extend a helping hand & Make A Difference with the Jersey Juniors!!
