

Women's Health

Interested in funding to help improve the health of women in your community? GFWC can help you make that happen with up to \$100 for club activities. For an application and guidelines please visit www.GFWC.org. Click on: Our Work, Programs, Home Life, Women's Health and then "club grants."

Women's Health Grant Available from GFWC:

- *Funding is available until it is gone or until November 9, 2007*
- *Must use to fund the start or continue a health project*
- *Think creatively!*
- *You MUST complete an application (available on the website)*

Kimmie Holt-Home Life/Health

With the funding your club could work with local groups to present a health fair, print or purchase materials and distribute, hold monthly health forums, provide wigs for women undergoing chemotherapy, supply a local clinic with materials paid for by the grant, provide calcium tablets for women at a shelter...
